Objects of desire

Julien Martinez Calmettes

SUGAR SPOON

Meric Kara@Fabrica

Never again will our tea or coffee be over sugared!
This spoon is designed to measure exactly the
required amount of sugar.

¡Se acabó el café o el té demasiado dulce! Esta
cuchara permite dosificar la cantidad exacta de un
terrón de azúcar.

GUGGENHEIM SUGAR 2004

Toshihiko Sakai@Sakai Design Associate

Guggenheim Museum Exhibition Museum Goods 2004

Sugar lumps specially made for the Guggenheim museum.

Terrón de azúcar realizado para el museo Guggenheim.

EXTERNAL INFRARED RAYS UNIT 2004
Toshihiko Sakai@Sakai Design Associate.
