YOSHIMO HINOKI DIFFUSER

Ambience enhancer

This flameless diffuser is made from hinoki wood by Japanese aromatherapy specialist @Aroma. Each diffuser is accompanied by a bottle of bespoke essential oil developed exclusively for Monocle. The scent is built from fresh, deep and spicy notes of cedar wood, sandalwood and cardamom. The oil soaks into the small platform of the diffuser, letting the aromatic nature of the wood disperse the fragrance throughout your living space or office.

Information
Dimensions: 11.5X5.50cm
Made of hinoki wood
Made in Japan
